ARTICLE XIII - GRIEVANCE PROCEDURES

1. Definitions

a. Grievance

A grievance is a claim by an employee, a group of employees, or the Association that there has been a violation, misinterpretation, or misapplication of any provision of this Agreement.

b. Aggrieved Person

An aggrieved person is the person(s) or the Association making the claim.

2. Purpose

The purpose of the procedure is to secure, at the lowest possible level, equitable solutions to the problems which may from time to time arise affecting employees. All meetings and hearings under this procedure shall be conducted in private where legally possible

and shall include only witnesses, the aggrieved person, the appropriate administration official, and their representatives selected in accordance with this Article.

3. Procedure

a. Time Limits

The number of days indicated at each level should be considered as a maximum, and every effort should be made to expedite the process. The failure of an aggrieved person to act on any grievance within the prescribed time limits will act as a bar to any further appeal.

b. Year-End Grievance

In the event a grievance is filed at such time that it cannot be processed through all the steps in this Grievance Procedure by the end of the school year, and if left unresolved until the beginning of the following year, could result in irreparable harm to an aggrieved person or the District, the time limits set forth herein shall be reduced so that the Grievance Procedure may be exhausted prior to the end of the school year or within a maximum of thirty (30) days thereafter.

c. Level One - Principal or Immediate Supervisor (Informal)

An employee with a grievance shall first discuss it with his or her principal or immediate supervisor with the objective of resolving the matter informally. If the Association is the grievant, representatives of the Association shall discuss the proposed grievance with the Superintendent.

d. Representation

An aggrieved person may be represented at all levels of the Grievance Procedure by counsel and by a representative from the Association selected by the aggrieved person. The Board may be represented at all levels of the Grievance Procedure by the appropriate administration official and by a representative selected by the Board.

e. Level Two - Principal (Formal)

If as a result of the informal discussion with the principal or immediate supervisor at level one a grievance still exists, the aggrieved person must invoke the formal grievance procedure within fifteen (15) days of the date of the event giving rise to the grievance. A copy of the grievance form shall be delivered to the appropriate principal or immediate supervisor. The appropriate principal or immediate supervisor shall indicate his disposition of the grievance in writing within five (5) school days of the presentation of the formal grievance and shall furnish a copy thereof to the grievant. If the aggrieved person is not satisfied with the disposition of the grievance, the grievance shall be transmitted to level three.

f. Level Three - Superintendent

The Superintendent or his designee shall meet with the aggrieved person within five (5) school days of receipt of the grievance. Within ten (10) school days of receipt of the grievance, the Superintendent or his designee shall indicate his disposition of the grievance, in writing to the grievant. If the aggrieved person is not satisfied with the disposition of the grievance by the Superintendent or his designee, the aggrieved person may transmit the grievance to the Board by filing a written copy thereof with the secretary or other designee of the Board.

g. Level Four - Board of Education

The Board, no later than its next regular meeting provided filing is five (5) days prior to the meeting, shall meet with the aggrieved person on the grievance. Disposition of the grievance shall be made in writing by the Board no later than seven (7) school days after said meeting. A copy of such disposition shall be furnished to the grievant.

h. Level Five - Arbitration

1. If the aggrieved person is not satisfied with the disposition of the grievance by the Board, the aggrieved person and the Association shall meet to discuss the merits of submitting the grievance to arbitration.
2. If the Association determines that the grievance is meritorious, it shall submit the grievance to arbitration within ten (10) school days after notification of the Board's decision.
3. Within ten (10) school days after written notice to the Board of Submission to arbitration, the Board and the Association shall attempt to agree upon a mutually acceptable arbitrator and shall obtain a commitment from said arbitrator to serve. If the parties are unable to agree upon an arbitrator or to obtain such a commitment within the specified period, a written request for a list of arbitrators shall be made to the Public Employment Relations Board (PERB) by either party. The list shall consist of five (5) arbitrators and the parties shall determine by lot which party shall have the right to remove the first name from the list. The party having the right to remove the first name shall do so within two (2) school days and the other party shall have one additional school day to remove one of the four remaining names. One additional day will be available for each party in turn to remove one more name. The person whose name remains shall be the arbitrator.

4. The arbitrator so selected shall confer with the representatives of the Board and the Association and hold hearings promptly and shall issue his decision as soon as possible after the close of the hearings; or if oral hearings have been waived, then from the date the final statements and proof on the issues are submitted to him. The arbitrator's decision shall be in writing and shall set forth his findings of fact, reasoning and conclusions on the issues submitted. The arbitrator's decision on a grievance may not change or amend the terms, conditions, or applications of the collective bargaining agreement. The decision of the arbitrator shall be submitted to the Board and the Association and shall be final and binding on the parties.
5. The cost for the services of the arbitrator, including per diem expenses if any, actual and necessary travel, subsistence expenses, and the cost of the hearing room shall be borne equally by the Board and the Association. Any other expenses incurred shall be paid by the party incurring same.

- i. Separate Grievance File

All documents, communications and records dealing with the processing of a grievance shall be filed in a separate grievance file and shall not be kept in the personnel file of any of the participants.

ARTICLE XIV - WAGES AND SALARIES

1. Schedule

- a. The salary of each employee covered by the regular Salary Schedule is set forth in Schedule A, which is attached hereto and made a part hereof.
- b. An additional salary of \$11,800 is added to each full time equivalent employee in lieu of any district obligation to pay for health, dental, or life insurance. Employees working less than full time will have the additional salary pro-rated in direct proportion to actual contracted percentage. For the purposes of this section full time is defined as those contracted for 75% (30 hours per week) or more.

2. Placement on Salary Schedule

- a. Adjustment to Salary Schedule

Each employee shall be placed on his/her proper step of the Salary Schedule as of the effective date of this Agreement and in accordance with paragraph B of Section 2 below. Any employee hired prior to the second semester of any school year shall be given full credit for one (1) year of service toward the next increment step for the following year.

b. Credit for Experience and Education

Full credit on the employee's Salary Schedule shall be given upon commencement of current employment up to the fifth step thereon for previous outside teaching experience in duly accredited schools or for previous teaching experience in the Hudson Community School District. Additional credit for teaching experience or work related experience may be granted at the discretion of the Board. Credit will also be given for graduate courses completed that apply to advancement in the educational lanes as determined by Section 3.b.3. (This last sentence will apply only to employees initially hired on or after July 1, 1990.)

3. Advancement on Salary Schedule

a. Increments

Employees on the regular Salary Schedule shall be granted one increment or vertical step on the schedule for each year of service until the maximum for their educational classification is reached. At no time may an individual be granted more than one vertical step per year under the provisions of this paragraph. A year of service consists of employment in the Hudson District for ninety (90) consecutive teaching days or more in one school year.

b. Educational Lanes

1. The employee should notify the Superintendent of course work that is to be applied to advancement of the employee on the salary schedule before commencement of study. If the course does not carry graduate credit, additional evidence shall be submitted with the request for approval. Such additional evidence shall confirm that the course content and requirements are identical to that required for graduate credit.
2. For an employee to advance from one educational lane to another, the employee shall first notify the Superintendent by June 1 of the course work that is to be applied to advancement, and then the employee shall file suitable evidence of the additional educational credit with the Superintendent no later than September 10 of each year, or the advancement will not take effect until the next year. Pay adjustments shall be retroactive to the beginning of the school year.
3. Such documentation must show that the educational credit was awarded for graduate study, or its equivalent (see 3 (b) 1) above, through an accredited and recognized institution. Educational credits shall be in the employee's teaching area except the employee shall be allowed up to twenty (20) non-sequential credit hours which shall be in the educational or teaching field.

4. Method of Payment

a. Pay Period

Each employee shall be paid in twelve (12) equal installments on the 20th day of each month. Employees shall receive their checks at their regular building and on regular school days unless otherwise designated in writing by the employee.

b. Exceptions

c. Summer Checks

Summer checks for contract teaching assignments shall be mailed to the address designated in writing by the employee.

6. Extra Duties Schedule

The salary of each employee covered by the Extra Duty Schedule is set forth in Schedule B, which is attached hereto and made a part thereof. The percent is calculated on the BA Base of Schedule A. Per diem pay will be determined from the total of the Schedule A salary and the career increment.

Employees who voluntarily work Saturday School shall be compensated at the then current substitute rate.

7. Payment for Categories (9)-(11) Schedule B

The payment for services rendered in categories (9) and (11) will be paid monthly and will be paid on the same payroll check as the employee's regular contract. Alternatively, administratively requested attendance beyond the contract day may be compensated for by allowing instructors an equal amount of time off prior to or following the student day.

However, any such arrangement must be mutually agreed to by the staff member(s) involved and administration prior to the requested attendance. If such agreement cannot be reached, the pay provisions of this Article will apply.

8. The salary of the nurse shall increase by the same percentage as the average of the other employee's salary increase.
9. The Technology Coordinator salary will be calculated by multiplying his/her Schedule A salary by 119.7%.

Per diem salary equals contract salary plus any Phase I or II money divided by 185 days and then by 8 hours per day in order to calculate an hourly wage rate. Payment will be made as money is received and work progress is documented with the regular paycheck for the month following the work progress documentation.

11. Phase II Funds

The Phase II amounts will be changed as determined by State allotment. Any additional Phase II money, above the 1990-91 amount of \$47,000 will be distributed equally to all certified staff.

12. Drug/Alcohol Testing Compensation

The district will pay regular bus driving compensation to employees for time and mileage incurred in complying with required drug and alcohol testing.

1. Classroom Instruction

Employees who are requested to teach summer school will be paid an hourly rate determined from the employee's basic salary for the current contract. The employee's basic salary shall include his/her salary schedule amount, longevity pay, Phase I and Phase II dollars.

ARTICLE XX - SEPARABILITY CLAUSE

If any provision of this Agreement or any application of this Agreement to any employee or group of employees is held to be contrary to law, then such provision or application shall not be deemed valid and subsisting, except to the extent permitted by law. The Board and the Association shall enter into negotiations as required by law to replace any such provision held to be contrary to law. All other provisions or applications shall continue in full force and effect.

ARTICLE XXI

DURATION

This Agreement shall be effective as of July 1, 2007, and shall continue in effect until June 30, 2009.

For the 2007-08 contract year the total package settlement shall be 4.2% with \$200 being added to insurance costs (from \$11,600 to \$11,800) and the remainder to go to the BA Base.

For the 2008-09 contract year the total package settlement will be determined by applying the following formula:

1. Take the state average (mean) total package settlement on the day on which 125 or more jointly reported first year settlements are reported to ISEA and IASB. (Note: Priority will be given to the IASB numbers reported for any given district if they deviate from those reported for the same district by ISEA.)
2. If 125 settlements have not been reached by April 25, 2008, the average of the number of settlements reported by that date will be used.
